CONTINUING EDUCATION UNITS:

4 CEUs (pending)

Thank you to our generous scholarship fund sponsor

DIRECTIONS & PARKING

Parking

- Fee-based public parking is available in the King Street Center garage. The entrance is on the King Street side of the building.
- There are several fee-based surface lots in the King Street Center neighborhood. The largest is the Qwest Field parking lot at 2nd Avenue South and South King Street.
- On-street metered parking is available throughout Pioneer Square. At most metered locations a two-hour limit is in effect Monday through Saturday, from 8am to 6pm. There is no fee outside of these hours. Note other parking restrictions on street signage.

Southbound on Interstate 5

- Take Exit 165A and merge onto 6th Avenue.
- Move into the rightmost thru lane and proceed to the four-way stop at Yesler Way.
- Continue straight for three blocks downhill along 6th Avenue South to South Jackson Street.
- Turn right onto South Jackson Street.
- Proceed to 2nd Avenue South.

Northbound on Interstate 5

- Take Exit 164B and merge onto I-90 West.
- Proceed on the 4th Avenue South exit ramp and prepare for a left turn.
- At the end of the ramp, turn left onto 4th Avenue South.
- When 4th Avenue South splits, veer to the left onto 2nd Avenue Extension South.
- At the next intersection turn left onto South Jackson Street (your only option).
- Proceed to 2nd Avenue South.

King Street Center is next-door to King Street Station, Seattle's Amtrak station, so finding the building from the freeway is as easy as following the Amtrak signs.

SWANA Evergreen Chapter encourages carpooling and ride sharing.
